

Funding available for projects in the Black Isle, Cromarty Firth, Dingwall & Seaforth, Tain & Easter Ross

LEADER's Inner Moray Firth North Local Area Partnership has a budget of **£377,000** to match fund projects which will benefit people in the area.

Priority will be given to projects which:

- ◆ Bring assets or services within community control;
- ◆ Create or improve access to local services or activities; OR
- ◆ Increase local employment opportunities.

Projects must be complete by October 2019 and have total costs over £5,000. LEADER grants will normally be up to 50% of total costs.

Applications can be made by anyone wishing to undertake a project in the area, including individuals, community and voluntary organisations, social enterprises, public bodies.
